

# Steven Le Prevost

Presentation at the WCPF AGM on the 14th October 2017  
at Clyst St Mary

Steven serves on the RPS Fine Arts distinction panel. He holds three fellowships, two with the RPS and one with the Irish Photographic Federation and is also an invited member of the London Salon of photography.

His talk called “A feeling of Impressionism” is a print talk. He will show both new Fellowship panels (RPS and IPF) together with several new pictures.

The presentation will include 85-90 creative prints with a definite leaning towards impressionist art.

If you've not yet seen Steven's work - you're in for a treat! If you're a devotee - you'll be glad to know he's back showing his latest work after a two year sabbatical!
